Conditions of Sales

ACITA is a limited liability company, registered in the trade register of Vannes (France) under the Number B3800705731. It has a share capital of 18294 Euro. Company headquarter is Vannes, under the address Parc d'Innovation de Bretagne Sud (P.I.B.S.), C.P. 30 in 56038 Vannes Cedex. ACITA is the owner of the licence number Li 056.95.002, insured through AXA and guaranteed through Association Professionnelle de Solidarité des Agences de Voyages. Atlantica International and Atlantigroupes are registered trade marks of the enterprise ACITA. The activity of Atlantica International is the organization of Incentive trips for Enterprises, whereas the activity of Atlantigroupes is the organization of classical group voyages. The activities of the travel agencies are fixed by the law number 92 - 645 from the 13th July 1992 and by the decree number 94 - 490 from 15th of June 1994. The general sales conditions fixing dealings between the travel agencies and their clients are regulated by a Minister decision from 22nd November 1994.

ACITA informs clients about the fact that each reservation of a program implies automatically the acceptance of the general sales conditions, fixed by above mentioned Minister decision and law, as well as the acceptance of the special terms of the respective programs. Each controversy, which cannot be resolved, is affair of the district court of Vannes.

The main activity of ACITA is the creation and organization of tourism products (trips, round trips, stays) for groups. This concerns also the selection of the service providers, the administration for customer's account of the options and reservations, the supply of all inclusive programs, their permanent quality control and the assistance during the journey.

The client receives a *carnet de voyage* containing the vouchers for each activity, which have to be handed out to the respective service providers. If, in case of unforeseeable events of *force majeure* or for the guarantee of the security of the customers or in case of interruption of maritime traffic due to the weather, Acita is compelled to cancel the program or part of it, the agency will make all possible efforts to replace the program by an equivalent service at the same quality level.. A reimbursement or financial compensation is however impossible.

Alterations

The accurate number of participants as well as rooming list must be received by Acita at least 4 weeks before travel beginning. In case of increase of the number of participants after this date, Acita will strive to make the additional reservations. In case of decrease of the number of participants, then the cancellation conditions will be applied.. Each change in the dates and/or nature of program implies an additional cost of 40 Euro per modification.
